

Silicon Valley Region **Mask-R-Aid Challenge**

Currently, Face Masks are an essential Aid to keeping us all healthy. They are also a great way to send a message or make a fashion statement. When practicing Social Distancing guidelines, Face Masks are one of the first things people see and notice. What message do you want your Face Mask to share with others when they first see you?

Your Challenge is to Design a Face Mask that is comfortable to wear and sends a message to people you encounter.

Join the Silicon Valley Region “Mask-R-Aid” by creating your Face Mask and sending a photo of your creation to media-sv@caldi.org by September 8, 2020. Please identify the Group Number (1, 2, 3, or 4) for the Creator of the Design by using **“Mask-R-Aid Group #” as the Subject of your Email.**

The Groups are as follow:

- **Group 1 -- Pre-Kindergarten through 3rd Grade**
- **Group 2 - 4th through 7th Grades**
- **Group 3 -- 8th through 12th Grades**
- **Group 4 – Adults (Post High School age)**

We will share your family-friendly photos on our Silicon Valley Region website (sv.caldi.org) and Facebook page.

Invite your family and friends to visit the Silicon Valley Region website during September 10-30 to Vote for the Face Mask in each Group with the:

- Most Creative Design
- Most Inspirational Message
- Most Creative Destination Imagination Themed Design

A box with additional FUN Challenges and the Materials needed to solve them will be awarded to the Creators of the Designs in each Group with the most Votes!
