TEAM NAME: Six Headed Engeneering Dragon

TEAM NUMBER: 105-19722

NOMINIATON FOR: TEAM CHALLENGE

NOMINATION TO: TEAM

.....

This award is offered for exceptional skill in the areas of engineering, design, or performance.

- Nominations should give examples of outstanding skills in the areas of engineering, design, or performance demonstrated by the team/individual.
- This award is offered for skill rather than creativity.

Reason for nomination:

This team created a backdrop that had so many thoughtful and creative parts to tell their story moving from Candy Island with chocolate waterfalls.

They had numerous elements that became Healthy Island.

The lollypop trees spun around to sprout as carrots.

The trees of candy changed to healthy apple trees.

Chocolate turned to clean, clear water!

Candy turned to pumpkins.

The payloads were seeds to grow healthy veggies.

It had many moving parts, creating high interest.

The team also had beautiful costumes!

- This award is offered for skill rather than creativity.

Reason for nomination:

This team made exceptional use of technology.
They absolutely blew the appraisers away and captured the imagination of the audience as well.
Their game "gizmo" was a slot machine played by a team member who encourages the character of Jack to Gamble . . .
Jack eventually becomes addicted to gambling.
Their container transformed 10 times throughout the story and every surface changed at least once.
They used 4 technical methods to accomplish 6 tasks which were exceptional.
The appraisers were not only delighted but astounded by them.
