

Justin Kissel Scholarship

Justin Kissel was a giant among us! He gave his time and energy freely and unconditionally to our community and numerous charitable organizations. Justin never knew a stranger. He was always looking for ways to assist others and make their lives easier. Justin was quick to volunteer to help anyone, even the friends he had yet to meet. If a job needed doing Justin was ready and willing to see that it was accomplished, always exceeding anyone else's expectations. No matter how early, late, or long he worked, Justin always had a smile and joke to share. He was happy to be helping those around him, and expected nothing in return, other than the pleasure of spending time with his friends. Since Justin enjoyed a good challenge, he accepted the tremendous task of training the Regional Score Room Challenge Masters as well as organizing and running the Score Room for the California Creativity State Tournament from 1999 through 2001. He did this with style, grace, and wisdom far beyond his 17 years. Justin had a quick wit and charm that he shared with us all. As a State Challenge Master, Volunteer, and Friend, Justin was impressive and a true inspiration to all who knew him. He gave selflessly and generously to society and our community until his untimely passing December 24, 2002.

This scholarship has been established to assist one or more deserving students achieve their educational goals. Adults are encouraged to nominate students they perceive to be walking in Justin's footsteps – those of a giant volunteer.
