

Officials Schedule & Food Menu

Hello,

I have attached the Official's Schedule by Name to this message. It can also be found on the website.

The weather for Saturday is improving by the minute. Last week the the 10 day forecast was predicting rain. That has now changed to rain ending Friday evening and Cloudy all day Saturday with only a 10% chance of rain. Keep our fingers crossed.

I have also been asked questions about how many teams will advance to Globals. We are allowed to advance the first, second, and third place teams. If any of these decline to go, the next place team in that challenge and level will be invited to go to Globals. In addition, Teams who meet specific requirements will be invited to participate in the Lottery System. This system is described in a previous email.

A note, we have some participants that have serious peanut allergies. We are asking you request your participants and fans refrain from bringing peanuts to the tournament. Thank you.

Food Menu Served at the Tournament

Served ALL DAY

Kettle Corn \$6

Funnel Cakes \$6, \$7 with strawberries and whip

Corn Dogs \$3
