*Instant Challenge*

## SQUARED OFF

**Challenge:** Collect objects from a taped square and place them into cups.

**Time:** You will have up to 2 minutes to use your ImagiNation to place cups, up to 4 minutes to build and test a device or devices to collect objects, and up to 2 minutes to collect objects and place them into cups for score.

**Set-up:** On the floor are two taped squares, one within the other. Inside the inner square are 10 objects that can be retrieved for score. Around the inner square is a second, large square. In addition, there is table that contains 5 cups, 5 stickers and materials that you can use to collect the objects and place them into the cups.

### Procedure:

- Part 1 (2 minutes): Place the 5 cups anywhere outside the small square but inside the large square. You should mark the location of each of the cups with a sticker.
- Part 2 (4 minutes): Use the materials to create a device or devices to remove objects from the inner square and place them into the cups. At the end of Part 2, the objects and cups will be returned to their original positions.
- Part 3 (2 minutes): Collect items and place them into cups for score. Only 2 items may be placed in each cup, and a cup must be standing at the end of Part 3 in order to receive score. During Part 3, no part of a team member's body may cross over the tape outlining the large square, and the cups and objects must remain within the large square.

### Materials:

2 Sheets of Newspaper	2 18" Strands of Yarn
2 Coat Hangers	6 Mailing Labels
2 Pencils	1 Plastic Flower (MAY NOT be damaged)
1 8" X 11" Piece of Cardboard	10 Objects (MAY NOT be changed)

**Scoring:** You will receive

- A. 5 points (50 points total) for each object collected and placed in a cup in the third part of the Challenge.
- B. Up to 25 points for how creatively you use the materials.
- C. Up to 25 points for how well your team works together.
